

After the White Buffalo Side Match Single Shot Big Bore

Ω boulder

▼ stump

You are seated behind a boulder on the stump, when you spot a white buffalo. Three rival hunter's appear also after that white hide. At buzzer pick up rifle - Shooter may choose shooting position (stand, kneeling, prone, sitting) once set, shooter must shoot all rounds from that position. Take aim and take out rival cowboys, then buffalo. You must hit the closest cowboy before you advance to the next and so on. If you shoot the three cowboys clean you must hit the buffalo with two round for a total of five rounds fired. Shooter may load up to five additional round to successfully complete hits on all of the targets.

Classes: Single Shot Big Bore

Cross sticks may be used and will be set before buzzer sounds. All sights must be traditional iron sights.

Total time to hit all five targets will determine winner!
