

Stage 1

Standing at the corral, you see some dishonest cowpokes leading all your horses that you just left from the livery stable up the alley. At the sound of the buzzer, you yell –

Stop right there!

Drawing your first pistol you engage those cowpokes starting at P-1 through P-5. Holster your pistol, pick up your loaded staged rifle, and double tap, R-1, R-5, R-2, R-4 and triple tap R-3. Replace your rifle, and draw your second pistol and sweep P-5 through P-1. Holster your second pistol, pick up your shotgun and shoot knock downs S-1 through S-4. (There are no reshots on the knock downs, if they don't go down it is a miss.)

Ammunition: 10 pistol, 10 rifle, 4 shotgun

Stage 2

Standing in front of the jail talking with the Sheriff (the RO), you hear someone yelling for help. At the sound of the buzzer you enter the jail to look out the back window. You see several rowdy cowboys robbing the local banker. You draw your first pistol and engage P-1 through P-5. Holster your pistol and draw your second pistol and engage P-5 through P-1. Holster your second pistol and pick up a rifle from the rifle rack in the jail and Montana sweep R-1 through R-5, double tapping R-1. Place your rifle back in the rack, take your shotgun and engage S-1 and S-2.

Ammunition: 10 pistol, 10 rifle, 2 shotgun

Stage 3

Standing in The Bodacious Bordello having a drink with Big Katie/Tom Cat, you see Slick Willie and Tricky Dick carrying off the Bodacious Bordello safe with all the receipts for that month and all the girls savings. At the sound of the buzzer, you yell –

Get out of the way!!

Drawing your first pistol you engage P-1 through P-5, holster that pistol, draw your second pistol and engage P-1 through P-5. As you start to holster your second pistol (place your pistol in your holster) either Slick or Tricky returns fire and a bullet grazes your strong arm. Picking up your staged rifle, you must shoot your rifle from the weak side. Double tapping R-1 through R-5. Replace your rifle, pick up your shotgun and engage S-1 through S-4, twice, no double taps. (***Special instructions: If the cowboy/cowgirl feels that they would be unsafe shooting their rifle from the weak side, they may shoot from their strong side, but this will disqualify them from the clean match award.***)

Ammunition: 10 pistol, 10 rifle, 8 shotgun

Stage 4

Standing in front of the door to Porky's Cantina, you hear a commotion on the inside. At the sound of the buzzer – You yell –

What the heck is going on in there!!

Step through the door, draw your first pistol and sweep, P-1 through P-5. Pick the rifle that you find leaning against the wall of the cantina and double tap R-2, R-4, R-1, R-5 and triple tap R-3. Replace the rifle against the wall, draw your second pistol and again sweep pistol targets P-5 through P-1. Holster your second pistol and go to the end of the fence at the cantina and sweep S-1 through S-4. (There are no reshots on the swingers, if they don't swing it is a miss.)

Ammunition: 10 pistol, 10 rifle, 4 shotgun

Stage 5

Stage both pistols on ole Bisque'et, stage rifle and shotgun at the fence. Seated on Ole Bisque'et, riding along enjoying the beautiful scenery you see those rustlers herding a small herd of cattle towards the Mexican border. Drawing your first pistol you engage P-1 through P-5, holster your pistol, draw your second pistol and engage P-5 through P-1. Holster your second pistol, dismount ole Bisque'et, pick up your rifle and Montana sweep R-1 through R-5, double tapping R-1. Replace your rifle at the fence, move to the end of the fence, pick up your shotgun and engage S-1 and S-2.

Ammunition: 10 pistol, 10 rifle, 2 shotgun

Stage 6

Seated in the train, headed for Tombstone to see The Burps and Doc Hannukka, you are enjoying the nice weather and thinking of all the fun you will have with your friends, when you see a bunch of no good rascals, including that notorious Stinky One Eye. At the sound of the buzzer, you yell –

You are not ruining my fun!!

Drawing your first pistol you engage P-5 through P-1, holster that pistol, draw your second pistol and engage P-5 through P-1. As you start to holster your second pistol (finish placing your pistol in your holster) Stinky One Eye returns fire and a bullet grazes your strong arm. Picking up your staged rifle, you must shoot your rifle from the weak side. Double tapping R-1 through R-5. Replace your rifle, pick up your shotgun and engage S-4 through S-1, twice. (***Special instructions: If the cowboy/cowgirl feels that they would be unsafe shooting their rifle from the weak side, they may shoot from their strong side, but this will disqualify them from the clean match award.***)

Ammunition: 10 pistol, 10 rifle, 8 shotgun
